

## Biometric Attendance System

# F12 Biometric Attendance System

## Technical Specifications

User Capacity	1000
Transaction Storage	52000
Verification mode	1:1 , 1:N
Staff ID	5 Digits
Staff Name	8 Digits
Communication	TCP/IP, Wiegand, USB
Optional Function	Id or IC Card Reading, Battery Backup
Power Supply	9 V 1 Amp
Card Reader	Proximity card reader
Sensor	Scratch less, Dust Free
Show	Time, ID, No, Name
Working Mode	Fingerprint, Password, Card

# F8A Biometric Attendance System

## Technical Specifications

User Capacity	1000
Transaction Storage	30000
LCD Resolution	128×64 pixels
Identification Speed	Less than 1 Sec
Special Highlight	Self learning feature
Communication	TCP/IP, USB
Battery Backup	Inbuilt Battery Backup
Power Supply	5 V DC
Card Reader	Proximity card reader
Sensor	Scratch less, Dust Free
Show	188×139×50
Working Mode	Fingerprint, Proximity Card

# FS20 Biometric Attendance System

## Technical Specifications

User Capacity	2000
Transaction Storage	52000
Max finger per person	3
Voice	Human voice with buzzer
Staff Name	8 Characters
Communication	TCP/IP, USB
Identification Time	=< 1 Sec
Power Supply	12 V 1 Amp
Card Reader	RFID card reader
Sensor	Rugged Optical Sensor
LCD Display	128×64
Working Mode	Fingerprint, Card
